**Subject:** Florence Copper PTF Pre-Operational Report

Mr. Albright,

I am sending this information on behalf of Mr. Dan Johnson with Florence Copper. We are in the process of finalizing the pre-operational report for the PTF (UIC Permit # R9UIC-AZ3-FY11-1). The PTF Well and Corehole Abandonment report is complete and available for download and review at the link included below.

<https://haleyaldrich.sharefile.com/d-s50398f2bf824116a>

Over the next day we will continue to upload the remaining pre-operational report components to the same sharefile link, when all components are complete we will transmit a formal submittal with two complete hard copies and one complete digital copy on disc.

If you have any questions or require any additional information at this time, please contact Mr. Dan Johnson with Florence Copper.

Regards,

**Lauren Candreva, R.G.**
